CABERNET SAUVIGNON CALIFORNIA

The 2019 Brass Tacks Cabernet Sauvignon is a deep, garnet color in the glass. Alluring aromas of dark red fruit greet the nose. On the palate, rich layers of currant and cherry fruit are framed by nicely integrated oak and soft, round tannins.

CALIFORNIA GROWN

Our Brass Tacks Cabernet Sauvignon combines the finest attributes from California's premier wine growing regions. The grapes are sourced from vineyards that add their own unique layer to the final wine profile. Traditional, minimalistic winemaking techniques result in a wine that allows classic varietal characteristics and true California terroir to shine through in every glass.

QUINTESSENTIAL CALIFORNIA WINES

Let's get down to brass tacks, shall we? This is the phrase that echoed Daniel LeFrancois's desire to craft wines that are true expressions of California's wine growing regions and varietals. Daniel sources fruit from premier regions throughout California, each selected to add specific nuances to the final wine. Through traditional winemaking practices, Daniel creates wines that are reflective of classic varietal characteristics, resulting in approachable wines that are flavorful, harmonious, and food-friendly.

brass tacks (noun): the most fundamental considerations; essentials; (usually used in the phrase "get down to brass tacks").
