## CABERNET SAUVIGNON CALIFORNIA

The 2021 Brass Tacks Cabernet Sauvignon is a deep, garnet color in the glass. Alluring aromas of dark red fruit greet the nose. On the palate, rich layers of currant and cherry fruit are framed by nicely integrated oak and soft, round tannins. Excellent with dinner pot roast, lamb chops, or grilled salmon.

**90 points** - Wilfred Wong

### VINTAGE NOTES

2021 season is characterized by the California drought and consistent weather throughout the growing season. The lack of spring rainfall led to early budbreak, lower yields and smaller berries. The growing season was long and consistent, with no major heat spikes. This consistency made for ideal growing conditions. The small clusters developed evenly and were packed full of flavor, resulting in wines that are fruit forward and wonderfully balanced.

### CALIFORNIA GROWN

Our Brass Tacks Cabernet Sauvignon combines the finest attributes from California's premier wine growing regions. Carefully selected lots of California Cabernet Sauvignon were used for the final wine, each adding their own unique component to the final wine profile. A small portion was aged in seasoned oak, adding dimension to the final blend. These minimalistic winemaking techniques resulted in an approachable, fruit-forward wine where classic varietal character and true California terroir shine through in every glass.

### QUINTESSENTIAL CALIFORNIA WINES

Let's get down to brass tacks, shall we? This is the phrase that echoed Daniel LeFrancois's desire to craft wines that are true expressions of California's wine growing regions and varietals. Daniel sources fruit from premier regions throughout California, selected to add specific nuances to the final wine. Through traditional winemaking practices, Daniel creates wines that are reflective of classic varietal characteristics, resulting in approachable wines that are flavorful, harmonious, and food-friendly.

**brass tacks (noun):** the most fundamental considerations; essentials; (usually used in the phrase "get down to brass tacks").
